

YOUR #1 CHOICE FOR GROOMING!

Our commitment to provide the best care for your pet sets us apart from all the rest. *We double-dog-dare you to find better pet care!*

- 🦴 A&B's fun, friendly staff is committed to providing service based on your specific pet's needs. Our staff grooms to your specifications with your pet's safety and comfort as our #1 priority.
- 🦴 Our groomers focus on quality, not quantity. Our groom shop is staffed with experienced, full-time, career groomers and bathers.
- 🦴 We never use "cage" dryers or grooming equipment we do not feel is safe for your pets.
- 🦴 Looking for a fun treat for your pet? We offer fun grooming specials throughout the year like Valentine's Day photos, toothbrushes, and special occasion treats.
- 🦴 Your pet is supervised by our groom staff at all times during their spa day with us and never left unattended.
- 🦴 We offer potty breaks at various times throughout the day and make sure water and treats are available if allowed by you.
- 🦴 Dropping your pet off for a full day at the spa? We offer daycare so your pet has the option to play prior to heading off for their fluff and buff.
- 🦴 A&B's state-of-the-art Aqua Air cleaning system provides superior cleaning technology not offered at most facilities.
- 🦴 A&B's air handling system goes above and beyond most similar sized facilities. This plays an important part in providing a safe, healthy environment for your pet!
