

## YOUR #1 CHOICE FOR TRAINING!

---

**Our commitment to provide the best care for your pet sets us apart from all the rest. *We double-dog-dare you to find better pet care!***

- 🦴 A&B's fun, friendly staff is committed to providing service based on your specific pet's needs. Our well-trained staff is equipped to recognize your pet's needs.
- 🦴 Our trainer is AKC certified and has been training pets for over 13 years.
- 🦴 Our AKC STAR Puppy class combines basic obedience, AKC requirements for graduation and readies your pet for AKC Canine Good Citizen training, which is also offered at A&B.
- 🦴 Class size is limited. You and your pet are assured hands-on, one-on-one training in this small class setting.
- 🦴 Grooming is an important part of training. Your pet can become accustomed to grooming and having their paws, ears, toes, etc. handled right here.
- 🦴 Socialization is an important part of training. Your pet may attend daycare to help advance his socialization skills.
- 🦴 Need training supplies? We also carry retail products. You can find necessary training tools in our retail section.
- 🦴 Need additional, in-home training? Ask us about our trainer's expertise in this area.
- 🦴 A&B's state-of-the-art Aqua Air cleaning system provides superior cleaning technology not offered at most facilities.
- 🦴 A&B's air handling system goes above and beyond most similar sized facilities. This plays an important part in providing a safe, healthy environment for your pet!
